Basic College Vocabulary approaches vocabulary development with a unique and proven systematic strategy called SSCD—“See and Say the word, use Structural analysis, apply Context clues and incorporate Dictionary knowledge.” Chapter Objectives have been identified to help you focus on key skills. A focus on how learning happens and the importance of using a variety of learning strategies. Restructured outline so the Multiple Choice questions are now the first exercise you will complete to help the transition from a basic knowledge level to higher level thinking in the exercises that follow. A new Appendix that offers the answers to the multiple choice feature will help you monitor your progress and focus your attention on problematic areas. Updated Dictionary Feature including the addition of the etymology and antonyms for each word! New Vocabulary Words that provide a clearer understanding of the structural elements.
